Lelinka is Kuśtyk's daughter.

She was supposed to marry a woodcutter named Julian, from the village of Twardechłopy. She sometimes went near the cave to gather herbs.

She is in love with Sherg. With him, she helped draft a letter demanding the return of the dowry. She asks the heroes to help Sherg, to bring a healer, and to help her get the money from her father. She promises more than 300 orens if the adventurers agree.[1]
